

Curriculum vitae

Personal data

Surname: **Tagami**
Forenames: **Takahiro**
Date and place of birth: **6 December, 1959, Mie, Japan**
Nationality: **Japanese**

Address (Work)

Division of Earth and Planetary Sciences
Graduate School of Science
Kyoto University
Kyoto 606-8502, Japan
Telephone: +81-75-753-4153
Facsimile: +81-75-753-4189
E-mail: tagami@kueps.kyoto-u.ac.jp

Address (Home)

Cyagasaki 3-6-710
Ohtsu, Shiga 520-0023, Japan
Telephone: +81-77-527-0565
Facsimile: +81-77-527-0565
E-mail: takahirotagami@yahoo.co.jp

Employment:

February 1988 - March 1988 Research Fellow in Department of Geology and Mineralogy, Faculty of Science, Kyoto University
April 1988 - May 1989 JSPS (Japan Society of Promotion of Science) Research Fellow in Department of Geology and Mineralogy, Faculty of Science, Kyoto University
June 1989 - October 1998 Assistant Professor in Department of Geology and Mineralogy, Faculty of Science, Kyoto University
(February 1994 - February 1995 The Royal Society Visiting Research Fellow in the Department of Geological Sciences, University College London)
November 1998 – October 2006 Associate Professor in Division of Earth and Planetary Sciences, Graduate School of Science, Kyoto University
(March 2001 - June 2001 Visiting Research Fellow in the Department of Geological and Planetary Sciences, California Institute of Technology
March 2003 - October 2003 Visiting Research Fellow in the Department of Geological and Planetary Sciences, California Institute of Technology)
November 2006 - present Professor in Division of Earth and Planetary Sciences, Graduate School of Science, Kyoto University

University Education:

April 1978 - March 1982 Undergraduate course in Department of Geology and Mineralogy, Faculty of Science, Kyoto University

April 1982 - March 1984 Master course in Department of Geology and Mineralogy,
Faculty of Science, Kyoto University

April 1984 - January 1988 Doctoral course in Department of Geology and Mineralogy,
Faculty of Science, Kyoto University

January 23, 1988 Ph.D. thesis

Supervisor: Prof. Shohei Banno

Title: Fission track thermochronology: Experimental procedure, standardization of age data, and application to the Ryoke belt and the Median Tectonic Line, southwest Japan.
